Introduction to NAFFCO

Naffco FZCO is among the world's leading company providing large integrated solutions and emphasizing a comprehensive supply, service and support approach. Our skills are centered on design, supply, installation and configuration of ELV Systems that includes Security, AV & ICT Systems that optimize today's business data infrastructure. As a technology, innovation and talent company operating predominantly in the B2B market, we offer cutting edge, state-of-the-art solutions and services to divergent sectors.

Our experience extends to installing the most advanced ELV systems for intelligent buildings as well as deploying ultra-sophisticated systems that are network based. Besides the capability to deliver AV, ICT and Security & Surveillance solutions on a turnkey basis such that business processes can be up and running from day one, our high-end technology as well as comprehensive and scalable solutions connect present scope of business to future requirements, and our liaison with world leading manufacturers enables us to offer the most advanced technologies to the clients.

"One Stop Shopping for All Your ELV (Security, IT & AV) Systems".

Today's companies recognize the importance and convenience of having multiple services available under one roof, a "one-stop shopping" source for all types of ELV (Security, IT & AV) systems. As the undisputed leader in technology solutions, NAFFCO has worked in both the private and government sectors, as well as manufacturing plants, Residential, Healthcare Hospitality, Retail, stadiums, malls and other organizational projects, delivering comprehensive ELV (Security, IT & AV) systems and engineering solutions.

At NAFFCO we are passionate about sustaining, upgrading and improving any means of safety, by having over 2 million square foot of manufacturing space, over 450 engineers, and over 8,500 workforce following all the latest technology available. We live by our passion, the passion to protect.

MISSION

"To empower customer to secure life, property and business by delivering high quality & innovative ELV (Security, IT & AV) systems and knowledge using worldclass manufacturers".

VISION

"To be the world's no. 1 provider of innovative solutions in protecting life, environment & property".

A Message from the CEO

Passion to Protect is more than just a slogan, it's a way of life for NAFFCO. Keeping you safe and your property secure is our business. With a global network spanning over 100 countries, NAFFCO has been recognized as the unparalleled leader in fire safety & security. In recognition of our outstanding growth and commitment to quality, we have been certified with ISO 9001:2008 and awarded the prestigious Mohammed Bin Rashid Al Maktoum business excellence award for four years, in areas including manufacturing and exports. NAFFCO has also been recognized by the Dubai Quality Appreciation Program in 2008, further cementing our status as a renowned leader in fire protection & security solutions. Our highly skilled engineering team is constantly designing, supplying, supervising and innovating areas of fire safety & security technology to overcome even the most complex business challenges. With your continued support and trust, NAFFCO is now poised to further grow its international network. To that end, we appreciate your business and your commitment to safety in the workplace and look forwards to serving you for decades to come.

Eng. Khalid Al Khatib

Chief Executive Officer

NAFFCO, UAE

Introduction

ELV is an integral part of National Fire Fighting Manufacturing FZCO, as it completes the circle of Safety, Security, IT, Audio Visual and Automation with the electronics systems and solutions. By ELV, it refers to **Extra Low Voltage**, and we complete the range of systems through our International Renowned Partners. Focusing on approved products (**UL, ETL, CE, ISO, ROHS**) NAFFCO ensures that its customers benefit the best of advanced security systems, and by not compromising on any terms with the standards.

NAFFCO ELV products monitor and protect millions of homes, businesses and government facilities across the globe. We have an extraordinary range of solutions which is distributed in three categories:

ENGINEERING STRENGTH

We take this opportunity to introduce NAFFCO as one of the leading companies specialized in the field of Security & ICT Solutions and related support starting from Design, Supply, Installation and Commissioning of the System on turnkey basis for the past 15 Years.

The key behind the success and growth of any Engineering Organization is the Engineering and Project Execution Department. We have qualified Engineers and a well-equipped Engineering department. The successful completion of the numerous prestigious projects, both in Government and Private Sectors throughout United Arab Emirates is attributed to our Engineering and Project Execution Department.

Project Execution is fully managed and supervised by a well-qualified Engineer dedicated in the field of Security & ICT. Besides, our designs are based on International Standards, which are acceptable by Local Authorities. Therefore we assure you that the engineering of NAFFCO will derive the best result to the utmost satisfaction of the client requirements.

NAFFCO ELV products monitor and protect millions of homes, businesses and Government facilities across the globe. We have an extraordinary range of solutions Which is distributed in below categories:

SECURITY SYSTEM

SPECIAL SYSTEMS

INFORMATION & COMMUNICATIONS TECHNOLOGY

AUDIO VISUAL

SECURITY SOLUTIONS

- Video Surveillance, ANPR & Storage Solutions (CCTV)
- Physical Security Integration Management (PSIM)
- Vehicle Surveillance Systems
- Thermal Imaging Systems
- Access Control and Biometric Systems
- Perimeter Intrusion Systems (PIDS)
- Bollards, Turnstiles, Speed Gates & Gate Barrier
- Parking Management Systems
- Smoke Screens
- People Counting Systems
- Intruder & Burglar Alarm Systems
- Disabled Alarm Systems
- Alarm Monitoring Solutions

ICT (INFORMATION COMMUNICATION TECHNOLOGY)

- Structured Cabling & GPON Systems
- Network Switching
- Wi-Fi
- PABX (IP & Analogue)
- Firewall
- HSIA

AUDIO VISUAL

- Background Music System
- Video & Audio Conferencing Systems
- Meeting Rooms & Board Solutions
- Digital Signage
- LED Video Walls
- Interactive Display
- Outdoor Media Facade (Mesh Wire & Transparent) LED outdoor Video Wall
- Transparent (Facade Embedded) LED outdoor Video Displays
- Broadcasting Systems

SPECIAL SYSTEMS

- IPTV / SMATV System
- Key & Locker Management Systems
- Queue Management Solutions
- Guest Room Management Systems
- Hotel Door Lock Systems
- Lighting Control
- Master Clock
- Video & Audio Intercom Systems
- Home Automation
